THE PERFECT KEY TO TRUNKEY

Uniwood Systems have over 17 years of proven commercial/residential design & fit-out experience. Working in partnership with architects, designers & individuals to create stunning & exciting places to live, work & play. We have built an enviable reputation for high quality work, focused project management, attention to detail & stringent budget control.

Uniwood Systems is essentially a design & project management company offering a holistic approach to its clients & projects comprising a full 'TurnKey' bouquet of services or if you like a one stop shop. As such we fulfil the role of 'Main Contractor' & take full responsibility for our project work, encompassing procurement, quality & timing from start to finish.

We offer full design & build facilities through our own team of highly professionals & a range of trusted specialist contractors. This close knit team work together to deliver the hard fabric of the building. Bringing to life complex design ideas which entwine differing materials & technologies is something we excel at, we provide a wide range of superb quality specialist finishes.

It is our aim to offer a complete "Turn Key" package from the designers inception through to hand over encompassing all aspects of refurbishing your house, restaurant, hotel or offices.

Our philosophy is a simple one, we offer a fresh perspective with originality, encompassing the architectural, technical & flamboyance of interior design & fit out while still understanding the designers & clients parameters of cost and time.

Our Approach

At Uniwood Systems we like to be clear about the various stages of each project to ensure that everything runs as smooth as possible.

1 *Getting To Know Us...*

All our projects start with a personal consultation - a chance for us to get to know each other & for us to learn about you and your tastes. Next step will be a visit to your property to get a sense of the space.

2 *Concept Development...*

Taking your inspiration and personal style, Our talented team will put together some concepts, drawing on the latest trends in interior designing.

3 *Developing The Style*

Once you are happy with the concept & drawings we will fill in the details with beautiful schemes & furniture for you to approve, and a budget to sign off.

4 *Ordering and Installation*

With the budget agreed we manage every stage of the ordering process to make sure that all parts of the project are delivered at the agreed time,

5 *Putting it All Together*

Working with our trusted partners we coordinate the delivery and installation of all furniture and accessories, and oversee any decoration included in your scheme. We take great pride in sourcing interesting accessories and artwork to bring your interior to life-
YOUR BEAUTIFUL NEW INTERIOR IS COMPLETE !
